Mayflower Advisors Celebrates History & Education with Mayflower Sails 2020 Sponsorship

Boston, MA, March 10, 2020—Mayflower Advisors is proud to sponsor *The Mayflower's* ambitious restoration and steadfast commitment to education.

To mark the 400-year anniversary of *The Mayflower's* epic journey from England to the New World, the historic vessel is nearing completion of a three-year, \$20-million renovation that will help ensure its positive impact will continue for future generations.

Mayflower Advisors is delighted to support these efforts and will be there to celebrate when the Plymouth landmark makes its triumphant return this May--sailing into Boston Harbor to dock beside *The U.S.S. Constitution*, aka "Old Ironsides," for a six-day maritime festival.

Mayflower Advisors Managing Partner Larry Glazer notes, "Mayflower Advisors salutes the courage, resilience and independence of *The Mayflower's* passengers. It is an honor to sponsor Mayflower Sails 2020's worthy mission to restore an American icon and educate generations to come."

In recognition of *The Voyage That Made A Nation*® and *The Mayflower's* quarter-century celebration, several members of Mayflower Advisors' team are volunteering to help local school children experience history this May.

The Mayflower, a full-scale replica of the original ship, has served as a floating classroom since 1957 when the U.K. presented the gift in recognition of the friendships forged between the nations during World War II. *The Mayflower* has already hosted an estimated 25 million people and is slated for inclusion on the Massachusetts Historic Commission's National Register of Historic Places and Landmarks.
